"Applicable Law" means all statutes, public laws, ordinances, policies, rules, regulations and orders of all federal, state, county and municipal governments or their agencies having jurisdiction and control over the Property in effect at the time a provision of the Restrictions is applied, and pertaining to the subject matter of the Restriction provision, and all other ordinances and any other applicable building codes, zoning restrictions and permits or

other applicable regulations. Statutes and ordinances specifically referenced in the Restrictions are "Applicable Law" on the date of the Restrictions, and are not intended to apply to the Property if they cease to be applicable by operation of law, or if they are replaced or superseded by one or more other statutes or ordinances.

"Architectural Control Committee" or **"ACC"** means the committee created pursuant to this Declaration to review and approve or deny plans for the construction, placement, modification, alteration or remodeling of any Improvements on a Lot. As provided in Article 8 below, the Declarant acts as the ACC and the ACC is not a committee of the Association until the Declarant has assigned its right to appoint and remove all ACC members to the Association in a Recorded written instrument.

"Assessment" or **"Assessments"** means all assessments imposed by the Association under this Declaration.

"Assessment Unit" has the meaning set forth in *Section 7.07(b)*.

"Association" means Rolling Hills Homeowners Association, a Tennessee non-profit corporation, which will be created by the Declarant to exercise the authority and assume the powers specified in *Article 4* and elsewhere in this Declaration. The failure of the Association to maintain its corporate charter from time to time does not affect the existence or legitimacy of the Association, which derives its authority from this Declaration, the Charter, the Bylaws, and Applicable Law.

"Board" means the Board of Directors of the Association.

"Bulk Rate Contract" or "Bulk Rate Contracts" means one or more contracts which are entered into by the Association for the provision of utility services or other services of any kind or nature to the Lots. The services provided under Bulk Rate Contracts may include, without limitation, cable television services, telecommunications services, internet access services, "broadband" services, security services, trash pick-up services, propane service, natural gas service, lawn maintenance services, wastewater services, and any other services of any kind or nature which are considered by the Board to be beneficial to all or a portion of the Property. Each Bulk Rate Contract must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

"Bylaws" means the Bylaws of the Association, which may be initially adopted and Recorded by Declarant or the Board of the Association and Recorded as part of the initial project documentation for the benefit of the Association. The Bylaws may be amended, from time to time, by the Declarant until expiration or termination of the Development Period. Any amendment to the Bylaws proposed by the Board must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period. Upon expiration of the Development Period, the Bylaws may be amended by a Majority of the Board and an

affirmative vote of Members holding at least sixty-seven percent (67%) of the total number of votes of the Association.

“Charter” means the Charter of the Association, filed in the Office of the Secretary of State of Tennessee, as the same may be amended from time to time.

“Common Area” means any property and facilities that the Association owns or in which it otherwise holds rights or obligations, including any property or facilities held by the Declarant for the benefit of the Association or its Members. Common Area also includes any property that the Association holds under a lease, license, or any easement in favor of the Association. Some Common Area will be solely for the common use and enjoyment of the Owners, while other portions of the Common Area may be for the use and enjoyment of the Owners and members of the public. The Association will be obligated to maintain, as Common Area, the “Micro Pool Extended Detention Pond” open space as reflected on the Plat. (The parking lot on Lots 40-46 is not Common Area and the costs of maintaining and insuring this parking lot shall be equally shared among the owners of Lots 40-46 as described in 10.15 below.)

“Community Manual” means the community manual, which may be initially adopted and Recorded by the Declarant as part of the initial project documentation for the benefit of the Association. Declarant shall have no obligation to cause a Community Manual to be produced or Recorded. The Community Manual may include the Bylaws, Rules and Regulations and other policies governing the Association. The Community Manual may be amended, from time to time, by the Declarant during the Development Period. Any amendment to the Community Manual, or its contents, prosecuted by the Board must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period. Upon expiration or termination of the Development Period, the Community Manual may be amended by a Majority of the Board.

“Community Systems” means any and all cable television, telecommunications, alarm/monitoring, internet, telephone or other lines, conduits, wires, amplifiers, towers, antennas, satellite dishes, equipment, materials and installations and fixtures (including those based on, containing and serving future technological advances not now known), if installed by Declarant pursuant to any grant of easement or authority by Declarant within the Property.

“Declarant” means **Kevin Hyneman Companies, Inc.**, a Mississippi corporation, its successors or assigns; provided that any assignment(s) of the rights of **Kevin Hyneman Companies, Inc.**, as Declarant, must be expressly set forth in writing and Recorded.

“Design Guidelines” means the standards for design, construction, landscaping, and exterior items proposed to be placed on any Lot adopted pursuant to *Section 8.02(c)*, as the same may be amended from time to time. The Design Guidelines may consist of multiple written design guidelines applying to specific portions of the Property. At Declarant’s option, Declarant may adopt or amend from time to time Design Guidelines for the Property or any

portion thereof. Notwithstanding anything in this Declaration to the contrary, Declarant will have no obligation to establish Design Guidelines for the Property or any portion thereof.

**ARTICLE 2
GENERAL AND USE RESTRICTIONS**

All of the Property shall be owned, held, encumbered, leased, used, occupied, and enjoyed subject to the following limitations and restrictions:

2.01 General.

(a) Conditions and Restrictions. All Lots within the Property will be owned, held, encumbered, leased, used, occupied and enjoyed subject to the Restrictions.

(b) Ordinances. Ordinances and requirements imposed by local governmental authorities are applicable to all Lots within the Property. Compliance with the Restrictions is not a substitute for compliance with Applicable Law. Please be advised that the Restrictions do not purport to list or describe each restriction which may be applicable to a Lot located within the Property. Each Owner is advised to review all ordinances, requirements, regulations and encumbrances affecting the use and improvement of their Lot prior to submitting plans to the ACC for approval. Furthermore, approval by the ACC should not be construed by the Owner that any Improvement complies with the terms and provisions of any ordinances, requirements, regulations or encumbrances which may affect the Owner's Lot. Certain encumbrances may benefit parties whose interests are not addressed by the ACC.

NOTICE

The Restrictions are subject to change from time to time. By owning or occupying a Lot, you agree to remain in compliance with the Restrictions, as they may change from time to time.

2.02 Conceptual Plans. All master plans, site plans, brochures, illustrations, information and marketing materials relating to the Property or the Common Area (collectively, the "**Conceptual Plans**") are conceptual in nature and are intended to be used for illustrative purposes only. The land uses and Improvements reflected on the Conceptual Plans are subject to change at any time and from time to time, and it is expressly agreed and understood that land uses within the Property or the Common Area may include uses which are not shown on the Conceptual Plans. Neither Declarant nor any Homebuilder or other developer of any portion of the Property or the Common Area makes any representation or warranty concerning such land uses and Improvements shown on the Conceptual Plans or otherwise planned for the Property or the Common Area and it is expressly agreed and understood that no Owner will be entitled to rely upon the Conceptual Plans or any statement made by the Declarant or any of Declarant's representatives regarding proposed land uses, proposed or planned Improvements in making the decision to purchase any land or Improvements within the Property. Each Owner who acquires a Lot within the Property acknowledges that development of the Property or the Common Area will likely extend over many years, and agrees that the Association will not engage in, or use Association funds to support, protest, challenge, or make any other form

of objection to development of the Property or the Common Area or changes in the Conceptual Plans as they may be amended or modified from time to time.

2.03 Single-Family Residential Use. The Lots shall be used solely for private single family residential purposes.

No professional, business, or commercial activity to which the general public is invited shall be conducted on any Lot, except an Owner or Resident may conduct business activities within a residence so long as: (i) such activity complies with all Applicable Law; (ii) the business activity is conducted without the employment of persons other than the residents of the home constructed in the Lot; (iii) the existence or operation of the business activity is not apparent or detectable by sight, i.e., no sign may be erected advertising the business on any Lot, sound, or smell from outside the residence; (iv) the business activity does not involve door-to-door solicitation of residents within the Property; (v) the business does not, in the Board's judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles parked within the Property which is noticeably greater than that which is typical of residences in which no business activity is being conducted; (vi) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Property as may be determined in the sole discretion of the Board; and (vii) the business does not require the installation of any machinery other than that customary to normal household operations. In addition, for the purpose of obtaining any business or commercial license, neither the residence nor Lot will be considered open to the public. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) such activity is engaged in full or part-time; (y) such activity is intended to or does generate a profit; or (z) a license is required.

Leasing of a residence shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by the Declarant or a Homebuilder.

Notwithstanding any provision in this Declaration to the contrary, until the expiration or termination of the Development Period:

(a) Declarant and/or its assignees may construct and maintain upon portions of the Common Area, any Lot, or portion of the Property owned by the Declarant, such facilities and may conduct such activities, which, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of single family residences or other Improvements constructed upon the Lots, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and/or its assignees

shall have an easement over and across the Common Area for access and use of such facilities at no charge; and

(b) Declarant and/or its assignees will have an access easement over and across the Common Area for the purpose of making, constructing and installing Improvements upon the Common Area.

2.04 Subdividing. No Lot shall be further divided or subdivided, nor may any easements or other interests therein less than the whole be conveyed by the Owner thereof without the prior written approval of the ACC; provided, however, that when Declarant is the Owner thereof, Declarant may further divide and subdivide any Lot and convey any easements or other interests less than the whole, all without the approval of the ACC.

2.05 Hazardous Activities. No activities may be conducted on or within the Property and no Improvements may be constructed on or within any portion of the Property which, in the opinion of the Board, are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms or fireworks may be discharged upon any portion of the Property unless discharged in conjunction with an event approved in advance by the Board and no open fires may be lighted or permitted except within safe and well-designed fireplaces or in contained barbecue units while attended and in use for cooking purposes. No portion of the Property may be used for the takeoff, storage, or landing of aircraft (including, without limitation, helicopters) except for medical emergencies.

2.06 Insurance Rates. Nothing shall be done or kept on the Property which would increase the rate of casualty or liability insurance or cause the cancellation of any such insurance on the Common Area, or the Improvements located thereon, without the prior written approval of the Board.

2.07 Mining and Drilling. No portion of the Property or the Common Area may be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals of any kind, rocks, stones, sand, gravel, aggregate, or earth. This provision will not be construed to prevent the excavation of rocks, stones, sand, gravel, aggregate, or earth or the storage of such material for use as fill provided that such activities are conducted in conjunction with the construction of Improvements and/or the development of the Property or the Common Area by the Declarant. Furthermore, this provision will not be interpreted to prevent the drilling of water wells by the Declarant or otherwise approved in advance by the ACC which are required to provide water to all or any portion of the Property. All water wells must also be approved in advance by the ACC and any applicable regulatory authority.

2.08 Noise. No noise or other nuisance shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to any other portion of the Property or to its Residents.

2.09 Animals - Household Pets. No animals, including pigs, hogs, swine, poultry, fowl, wild animals, horses, cattle, sheep, goats, or any other type of animal not considered to be a domestic household pet within the ordinary meaning and interpretation of such words may be kept, maintained, or cared for on or within the Property (as used in this paragraph, the term "domestic household pet" shall not mean or include non-traditional pets such as pot-bellied pigs, miniature horses, exotic snakes or lizards, monkeys, chickens, or other exotic animals). The Board may determine, in its sole discretion, whether a particular pet is a domestic household pet within the ordinary meaning and interpretation of such words. No Owner may keep on such Owner's Lot more than three (3) cats and dogs, in the aggregate. No animal may be allowed to make an unreasonable amount of noise, including, without limitation, excessive barking, or to become a nuisance, and no domestic pets will be allowed on the Property other than within the Owner's residence, or the fenced yard space associated therewith, unless confined to a leash. The Association may restrict pets to certain areas on the Property. No animal may be stabled, maintained, kept, cared for, or boarded for hire or remuneration on the Property, and no kennels or breeding operation will be allowed. No animal may be allowed to run at large, and all animals must be kept within enclosed areas which must be clean, sanitary, and reasonably free of refuse, insects, and waste at all times. No pet may be left unattended in yards, porches or other outside area. All pet waste will be removed and appropriately disposed of by the owner of the pet. All pets must be registered, licensed, and inoculated as required by Applicable Law. If the Board determines, in its sole discretion, that a pet becomes a source of unreasonable annoyance to others, or the owner of the pet fails or refuses to comply with these restrictions, the Owner, upon written notice, shall be required to permanently remove the pet from the Property.

2.10 Rubbish and Debris. As determined by the Board, no rubbish or debris of any kind may be placed or permitted to accumulate on or within the Property, and no odors will be permitted to arise therefrom so as to render all or any portion of the Property unsanitary, unsightly, offensive, or detrimental to any other property or Residents. Refuse, garbage, and trash must be kept at all times in covered containers, and such containers must be kept within enclosed structures or appropriately screened from view. Each Owner will contract with an independent disposal service to collect all garbage or other wastes, if such service is not provided by a governmental entity or the Association.

2.11 Maintenance. The Owners of each Lot shall jointly and severally have the duty and responsibility, at their sole cost and expense, to keep their Lot and all Improvements thereon in good condition and repair and in a well-maintained, safe, clean and attractive condition at all times. The Board, in its sole discretion, shall determine whether a violation of the maintenance obligations set forth in this Section 2.11 has occurred. Stone and gravel yards are strictly prohibited. Such maintenance includes, but is not limited to the following, which shall be performed in a timely manner, as determined by the Board, in its sole discretion:

- (i) Prompt removal of all litter, trash, refuse, and wastes.
- (ii) Lawn mowing.

- (iii) Tree and shrub pruning.
- (iv) Watering of lawn and landscaping.
- (v) Keeping exterior lighting and mechanical facilities in working order.
- (vi) Keeping lawn and garden areas alive, free of weeds, and attractive.
- (vii) Keeping planting beds free of turf grass.
- (viii) Keeping sidewalks and driveways in good repair.
- (ix) Complying with Applicable Law.
- (x) Repainting of Improvements.
- (xi) Repair of exterior damage, and wear and tear to Improvements.

2.12 Street Landscape Area-Owner's Obligation to Maintain Landscaping. Each Owner will be responsible, at such Owner's sole cost and expense, for maintaining mowing, replacing, pruning, and irrigating the landscaping between the boundary of such Owner's Lot and the curb of any adjacent right-of-way, street or alley (the "**ST Landscape Area**") unless the responsibility for maintaining the ST Landscape Area is performed by the Association.

2.13 Antennas. Except as expressly provided below, no exterior radio or television antennas, or aerial or satellite dish or disc, shall be erected, maintained or placed on a Lot without the prior written approval of the ACC; provided, however, that:

- (i) an antenna designed to receive direct broadcast services, including direct-to-home satellite services, that is one meter or less in diameter; or
- (ii) an antenna designed to receive video programming services via multipoint distribution services, including multi-channel multipoint distribution services, instructional television fixed services, and local multipoint distribution services, that is one meter or less in diameter or diagonal measurement; or
- (iii) an antenna that is designed to receive television or radio broadcast signals.

(collectively, (i) through (iii) are referred to herein as the "**Permitted Antennas**") will be permitted subject to reasonable requirements as to location and screening as may be set forth in rules adopted by the ACC, consistent with Applicable Law, in order to minimize obtrusiveness as viewed from streets and adjacent property. Declarant and/or the Association will have the

right, but not the obligation, to erect an aerial, satellite dish, or other apparatus for a master antenna, cable, or other communication system for the benefit of all or any portion of the Property.

2.14 Location of Permitted Antennas. A Permitted Antenna may be installed solely on the Owner's Lot and shall not encroach upon any street, Common Area, or any other portion of the Property. A Permitted Antenna shall be installed in a location on the Lot from which an acceptable quality signal can be obtained and where least visible from the street and the Property, other than the Lot. In order of preference, the locations of a Permitted Antenna which will be considered least visible by the ACC are as follows:

(i) Attached to the back of the principal single-family residence constructed on the Lot, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Lots and the street; then

(ii) Attached to the side of the principal single-family residence constructed on the Lot, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Lots and the street.

Each Owner, his or her family, Residents of a Lot, tenants, and the guests, invitees, and licensees of the preceding shall comply strictly with the provisions of the Restrictions as the same may be amended from time to time. Failure to comply with any of the Restrictions shall constitute a violation of the Restrictions and may

result in a fine against the Owner in accordance with *Section 7.12* of this Declaration, and shall give rise to a cause of action to recover sums due for damages or injunctive relief, or both, maintainable by the Declarant, the Board on behalf of the Association, the ACC, or by an aggrieved Owner. Without limiting any rights or powers of the Association, the Board may (but shall not be obligated to) remedy or attempt to remedy any violation of any of the provisions of Restrictions, and the Owner whose violation has been so remedied shall be personally liable to the Association for all costs and expenses of effecting (or attempting to effect) such remedy. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). **Each such Owner shall release and hold harmless the Association and its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this *Section 2.24* (including any cost, loss, damage, expense, liability, claim or cause of action arising out of the Association's negligence in connection therewith), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, comparative fault/negligence or similar negligence short of actual gross negligence.**

2.25 Liability of Owners for Damage to Common Area. No Owner shall in any way alter, modify, add to or otherwise perform any work upon the Common Area without the prior written approval of the Board and the Declarant during the Development Period. Each Owner shall be liable to the Association for any and all damages to: (a) the Common Area and any Improvements constructed thereon; or (b) any Improvements constructed on any Lot, the maintenance of which has been assumed by the Association, which damages were caused by the neglect, misuse or negligence of such Owner or Owner's family, or by any tenant or other Resident of such Owner's Lot, or any guest or invitee of such Owner or Resident. The full cost of all repairs of such damage shall be an Individual Assessment against such Owner's Lot, secured by a lien against such Owner's Lot and collectable in the same manner as provided in *Section 7.10* of this Declaration.

2.26 No Warranty of Enforceability. Declarant makes no warranty or representation as to the present or future validity or enforceability of the Restrictions. Any Owner acquiring a Lot in reliance on one or more of the Restrictions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant harmless therefrom.

2.27 Party Wall Fences. A fence or wall located on or near the dividing line between two (2) Lots and intended to benefit both Lots constitutes a "Party Wall" and, to the extent not inconsistent with the provisions of this *Section 2.27*, is subject to the general rules of law

regarding party walls and liability for property damage due to negligence, willful acts, or omissions and are subject to the following:

(a) Encroachments & Easement. If the Party Wall is on one Lot due to an error in construction, the Party Wall is nevertheless deemed to be on the dividing line for purposes of this *Section 2.27*. Each Lot sharing a Party Wall is subject to an easement for the existence and continuance of any encroachment by the Party Wall as a result of construction, repair, shifting, settlement, or movement in any portion of the Party Wall, so that the encroachment may remain undisturbed as long as the Party Wall stands. Each Lot is subject to a reciprocal easement for the maintenance, repair, replacement, or reconstruction of the Party Wall.

(b) Right to Repair. If the Party Wall is damaged or destroyed from any cause, the Owner of either Lot may repair or rebuild the Party Wall to its previous condition, and the Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt Party Wall. No Party Wall may be constructed, repaired, or rebuilt without the advance written approval of the ACC in accordance with Article 7 of this Declaration.

(c) Maintenance Costs. The Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the Party Wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. If an Owner is solely responsible for damage to or destruction of the Party Wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of the Party Wall, the Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Davidson County, Tennessee, and has the right to foreclose the lien as if it were a mechanic's lien. The right of an Owner to require contribution from another Owner under this *Section 2.27* is appurtenant to the Lot and passes to the Owner's successors in title.

(d) Alterations. The Owner of a Lot sharing a Party Wall may not cut openings in the Party Wall or alter or change the Party Wall in any manner that affects the use, condition, or appearance of the Party Wall to the adjoining Lot. The Party Wall will always remain in the same location as when erected unless otherwise approved by the Owner of each Lot sharing the Party Wall and the ACC.

(e) Dispute Resolution. In the event of any dispute arising concerning a Party Wall, or under the provisions of this Section (the "**Dispute**"), the parties shall submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board shall appoint a mediator. If the Dispute is not resolved by mediation, the Dispute shall be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be

unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator. The decision of the arbitrator shall be binding upon the parties and shall be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the cost of obtaining the all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in the Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

2.28 Playscapes and Sports Courts. Playscapes and sport courts are permissible at the sole discretion of the ACC. If allowed, these facilities must be: (i) properly sited and screened so as to minimize the visual and audio impact of the facility on adjacent properties; (ii) the height of a playscape, measured from the surface of the Lot, is no more than ten (10) feet; (iii) the canopy cover of any playscape shall be constructed of earth tone materials; and (iv) sport courts may not be lighted or enclosed with netting. Tennis courts are not permitted.

2.29 Decorations and Lighting. No decorative appurtenances such as sculptures, birdbaths and birdhouses, fountains, or other decorative embellishments shall be placed on the residence or on the front yard or on any other portion of a Lot which is visible from any street, unless such specific items have been approved in writing by the ACC. Customary seasonal decorations for holidays are permitted without approval by the ACC but shall be removed within thirty (30) days of the applicable holiday. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Lot and so as not to affect or reflect into surrounding residences or yards. No mercury vapor, sodium or halogen light shall be installed on any Lot which is visible from any street unless otherwise approved by the ACC.

2.30 Sexual Offenders. Convicted sexual offenders are prohibited from visiting, working or residing within Rolling Hills Subdivision. For purposes of this restriction, the term "convicted" shall be defined consistent with the term "conviction" in Tenn. Code Ann. § 40-39-202(1). The term "sexual offender" includes all persons so defined in Tenn. Code Ann. § 40-39-202(19), as well as any person convicted of a similar crime under federal law or the laws of any other State.

Nothing in this Declaration shall prevent the rental of any Lot and the Improvements thereon by the Owner thereof for residential purposes; provided that all rentals must be for terms of at least six (6) months with minimum six (6) month renewal periods. All leases shall be in writing. The Owner must provide to its lessee copies of the Restrictions. For Lease and For Rent signs are expressly prohibited.

3.03 Fences; Sidewalks. All fences and walls shall comply with all Applicable Law. Unless otherwise approved by the ACC, no fence, wall or hedge will be erected or maintained on any Lot nearer to the street than the front elevation of the residence constructed on the Lot, except for fences erected in conjunction with the model homes or sales offices. The ACC will have the sole discretion to determine the front elevation of the residence for the purpose of this *Section 3.03*. No chain-link, metal cloth or agricultural fences may be installed or maintained on a Lot. If required by the Plat, the Owner of each Lot shall construct, at such Owner's sole cost and expense and prior to occupying any Improvement, a sidewalk on such Owner's Lot, located and designed in conformance with the Plat. The Board, in its sole discretion, may undertake the maintenance and staining the fences for corner Lots and on the main streets of the subdivision.

The Board shall have the right to specify additional locations on each Owner's Lot in which trash containers or recycling bins must be stored.

3.05 Drainage. There shall be no interference with the established drainage patterns over any of the Property, including the Lots, except by Declarant, unless adequate provision is made for proper drainage and such provision is approved in advance by the ACC. Specifically, and not by way of limitation, no Improvement, including landscaping, may be installed which impedes the proper drainage of water between Lots.

3.06 Construction Activities. The Restrictions will not be construed or applied so as to unreasonably interfere with or prevent normal construction activities during the construction of Improvements by an Owner (including Declarant or a Homebuilder) upon or within the Property. Specifically, no such construction activities will be deemed to constitute a nuisance or a violation of the Restrictions by reason of noise, dust, presence of vehicles or construction machinery, posting of signs or similar activities, provided that such construction is pursued to completion with reasonable diligence and conforms to usual construction practices in the area. In the event that construction upon any Lot does not conform to usual practices in the area as determined by the ACC in its sole and reasonable judgment, the ACC will have the authority to seek an injunction to stop such construction. In addition, if during the course of construction upon any Lot there is excessive accumulation of debris of any kind which would render the Lot or any portion thereof unsanitary, unsightly, offensive, or detrimental to it or any other portion of the Property, then the ACC may contract for or cause such debris to be removed, and the Owner of the Lot will be liable for all reasonable expenses incurred in connection therewith.

3.07 Roofing. The roofs of all buildings shall be approved by the ACC. Any other type of roofing material shall be permitted only with the advance written approval of the ACC.

3.08 Swimming Pools. Any swimming pool constructed on a Lot must be enclosed with a fence or other enclosure device completely surrounding the swimming pool which, at a minimum, satisfies all Applicable Law and be approved in advance by the ACC. Nothing in this *Section 3.08* is intended or shall be construed to limit or affect an Owner's obligation to comply with any Applicable Law concerning swimming pool enclosure requirements. Unless otherwise approved in advance by the ACC, above-ground or temporary swimming pools are not permitted on a Lot.

3.09 Compliance with Setbacks. No residence may be constructed on any Lot nearer to a street than the minimum building setback lines shown on the Plat and no building shall be located on any utility easements.

Declarant, and its assignees, reserves the right, from time to time and at any time, to designate by written and Recorded instrument portions of the Property being held by the Declarant for the benefit of the Association. Upon the Recording of such designation, the portion of the Property identified therein will be considered Common Area for the purpose of this Declaration. Declarant and its assignees may also assign, transfer or convey to the Association interests in real or personal property within or for the benefit of the Property, for the Property and the general public, or otherwise, as determined in the sole and absolute discretion of the Declarant. All or any real or personal property assigned, transferred and/or conveyed by the Declarant to the Association shall be deemed accepted by the Association upon Recordation, and without further action by the Association, and shall be considered Common Area without regard to whether such real or personal property is designated by the Declarant as Common Area. If requested by the Declarant, the Association will execute a written instrument, in a form requested by the Declarant, evidencing acceptance of such real or personal property; provided, however, execution of a written consent by the Association shall in no event be a precondition to acceptance by the Association. The assignment, transfer, and/or conveyance of real or personal property to the Association may be by deed without warranty, may reserve easements in favor of the Declarant or a third party designated by Declarant over and across such property, and may include such other provisions, including restrictions on use, determined by the Declarant, in the Declarant's sole and absolute discretion. Property assigned, transferred, and/or conveyed to the Association may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Upon Declarant's written request, the Association will re-convey to Declarant any unimproved real property that Declarant originally conveyed to the Association for no payment.

4.07 Indemnification. To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Charter or Bylaws of the Association, the Association will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she: (1) acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association; or (2) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of

nolo contendere or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

4.08 Insurance. During the Development Period or as long as there is a Declarant appointed Director serving on the Board, the Board shall purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

4.09 Bulk Rate Contracts. Without limitation on the generality of the Association powers set out in *Section 4.05* hereinabove (except that during the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant), the Association will have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant, and/or any entities in which Declarant, or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. The Association may, at its option and election, add the charges payable by such Owner under such Bulk Rate Contract to the Assessments against such Owner's Lot. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such 12 day period), in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the Resident of such Owner's Lot) directly to the applicable service or utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner (or the Resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service will be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

4.10 Protection of Declarant's Interests. Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots or any other portion of the Property owned by Declarant. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. The Board will be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

4.11 Administration of Common Area. The administration of the Common Area by the Association shall be in accordance with the provisions of Applicable Law and the Restrictions, and of any other agreements, documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) designated by Declarant or by any governmental or quasi-governmental agency having regulatory jurisdiction over the Common Area or by any title insurance company selected by Declarant to insure title to any portion of the Common Area.

4.12 Right of Action by Association. The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation or administrative proceedings: (a) in the name of or on behalf of any Lot Owner (whether one or more); or (b) pertaining to a Claim, as defined in *Section 13.01* below, relating to the design or construction of Improvements on a Lot. This *Section 4.12* may not be amended or modified without Declarant's written and acknowledged consent and Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, which must be part of the Recorded amendment instrument.

ARTICLE 5 INSURANCE

5.01 Insurance. Each Owner will be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot. The Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary. Insurance premiums for such policies will be a common expense to be included in the Assessments levied by the Association. The acquisition of insurance by the Association will be without prejudice to the right and obligation of any Owner to obtain additional individual insurance. During the Development Period, Declarant reserves the right to satisfy the insurance obligations of the Association with a master insurance program controlled by Declarant.

ARE YOU COVERED?

The Association will not provide insurance which covers an Owner's Lot or any Improvements or personal property located on a Lot.

5.02 Restoration. In the event of any fire or other casualty, unless otherwise approved by the ACC, the Owner will promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials identical to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner will be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision will not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1½%) per month) will be added to the Assessment chargeable to the Owner's Lot. Any such amounts added to the Assessments chargeable against a Lot will be secured by the liens reserved in the Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot. **EACH SUCH OWNER WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 5.02, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, COMPARATIVE FAULT/NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

5.03 Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association pursuant to the rights granted under this *Article 5*, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association. Upon request by the Board, and before the commencement of any reconstruction,

repair, restoration or replacement, such Owner will execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

ARTICLE 6 ENFORCING THE RESTRICTIONS

6.01 Notice And Hearing. Before levying a fine for violation of the Restrictions (other than nonpayment of Assessments), or before levying an Individual Assessment for property damage, the Association will give the Owner written notice of the levy and an opportunity to be heard, if requested by the Owner within fifteen (15) days of receipt of the written notice of the levy, to the extent required by Applicable Law. The Board may adopt procedures and requirements for notices and hearing, provided they are consistent with the requirements of Applicable Law.

6.02 Remedies. The remedies provided in this Article for breach of the Restrictions are cumulative and not exclusive. In addition to other rights and remedies provided by the Restrictions and by Applicable Law, the Association has the following rights to enforce the Restrictions:

(a) Nuisance. The result of every act or omission that violates any provision of the Restrictions is a nuisance, and any remedy allowed by law against a nuisance, either public or private, is applicable against the violation.

(b) Fine. The Association may levy reasonable charges, as an Individual Assessment, against an Owner and the Owner's Lot if the Owner or Resident, or the Owner or Resident's family, guests, employees, agents, or contractors violate a provision of the Restrictions. Fines may be levied for each act of violation or for each day a violation continues, and does not constitute a waiver or discharge of the Owner's obligations under the Restrictions.

(c) Suspension. The Association may suspend the right of Owners and Residents to use Common Area (except rights of ingress and egress) for any period during which the Owner or Resident, or the Owner or Resident's family, guests, employees, agents, or contractors violate the Restrictions. A suspension does not constitute a waiver or discharge of the Owner's obligations under the Restrictions.

(d) Self-Help. The Association has the right to enter a Lot, Structure, and/or Dwelling to abate or remove, using force as may reasonably be necessary, any erection, thing, animal, person, vehicle, or condition that violates the Restrictions. In exercising this right, the Board is not trespassing and is not liable for damages related to the abatement. The Board may levy its costs of abatement against the Lot and Owner as an Individual Assessment. Unless an emergency situation exists in the good faith opinion of the Board, the Board will give the violating Owner fifteen (15) days' notice of its intent to exercise self-help.

(e) Suit. Failure to comply with the Restrictions will be grounds for an action to recover damages or for injunctive relief to cause any such violation to be remedied, or both. Prior to commencing any legal proceeding, the Association will give the defaulting party reasonable notice and an opportunity to cure the violation.

6.03 Board Discretion. The Board may use its sole discretion in determining whether to pursue a violation of the Restrictions, provided the Board does not act in an arbitrary or capricious manner. In evaluating a particular violation, the Board may determine that under the particular circumstances: (a) the Association's position is not sufficiently strong to justify taking any or further action; (b) the provision being enforced is or may be construed as inconsistent with Applicable Law; (c) although a technical violation may exist, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or (d) that enforcement is not in the Association's best interests, based on hardship, expense, or other reasonable criteria.

6.04 No Waiver. The Association and every Owner has the right to enforce all restrictions, conditions, covenants, liens, and charges now or hereafter imposed by the Restrictions. Failure by the Association or by any Owner to enforce a provision of the Restrictions is not a waiver of the right to do so thereafter.

6.05 Recovery of Costs. The costs of curing or abating a violation are the expense of the Owner or other person responsible for the violation. If legal assistance is obtained to enforce any provision of the Restrictions, or in any legal proceeding (whether or not suit is brought) for damages or for the enforcement of the Restrictions or the restraint of violations of the Restrictions, the prevailing party is entitled to recover from the non-prevailing party all reasonable and necessary costs incurred by it in such action, including reasonable attorneys' fees and the costs of enforcing any judgment(s) in its favor to include appeals of same.

ARTICLE 7 COVENANT FOR ASSESSMENTS

7.01 Assessments.

(a) Established by the Board. Assessments established by the Board pursuant to the provisions of this *Article 7* will be levied against each Lot in amounts determined pursuant to *Section 7.07* below. The total amount of Assessments will be determined by the Board pursuant to *Section 7.03, 7.04, 7.05, and/or 7.06*.

(b) Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon (such lien, with respect to any Lot not in existence on the date hereof, will be deemed granted and conveyed at the time that such Lot is created).

The Association may enforce payment of such Assessments in accordance with the provisions of this Article.

(c) Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied against Lots for any fiscal year by the payment of a subsidy to the Association. Any subsidy paid to the Association by Declarant may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. Any subsidy and the characterization thereof will be disclosed as a line item in the annual budget prepared by the Board and attributable to such Assessments. The payment of a subsidy in any given year will not obligate Declarant to continue payment of a subsidy to the Association in future years.

7.02 Maintenance Fund. The Board will establish a maintenance fund into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association under this Declaration. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

7.03 Regular Assessments. Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association (the "**Regular Assessments**") which sets forth: (i) an estimate of the expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions, including, but not limited to, the cost of all management, repair and maintenance, the cost of providing street and other lighting, the cost of administering and enforcing the Restrictions; and (ii) an estimate of the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, and giving due consideration to any expected income and any surplus from the prior year's fund. Regular Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any Assessment by any Owner, the Association may at any time, and from time to time, levy further Assessments in the same manner. All such Regular Assessments will be due and payable to the Association annually on or before the first day of the month, or in such other manner as the Board may designate in its sole and absolute discretion.

7.04 Working Capital Assessment. Each Owner (other than Declarant) shall pay a one-time working capital assessment (the "**Working Capital Assessment**") to the Association in such amount, if any, as may be determined by the Declarant, until expiration or termination of the Development Period, and the Board thereafter. Such Working Capital Assessment need not be uniform among all Lots, and the Declarant or the Board is expressly authorized to levy Working Capital Assessments of varying amounts depending on the size, use and general character of the Lots then being made subject to such levy. The Association may use the working capital to discharge operating expenses. The levy of any Working Capital Assessment shall be effective only upon the Recordation of a written notice, signed by the Declarant or a

duly authorized officer of the Association, setting forth the amount of the Working Capital Assessment and the Lots to which it applies.

Notwithstanding the foregoing provision, the following transfers shall not be subject to the Working Capital Assessment: (i) foreclosure of a deed of trust lien, tax lien, or the Association's Assessment lien; (ii) transfer to, from, or by the Association; (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent. Additionally, an Owner who (iv) is a Homebuilder; or (v) a Residential Developer shall not be subject to the Working Capital Assessment; however, the Working Capital Assessment shall be payable by any Owner who acquires a Lot from a Homebuilder or Residential Developer for residential living purposes or by any Owner who: (vi) acquires a Lot and is not in the business of constructing single-family residences for resale to a third party; or (vii) who acquires the Lot for any purpose other than constructing a single-family residence thereon for resale to a third party. In the event of any dispute regarding the application of the Working Capital Assessment to a particular Owner, Declarant's determination regarding application of the exemption shall be binding and conclusive without regard to any contrary interpretation of this *Section 7.04*. The Working Capital Assessment shall be in addition to, not in lieu of, any other Assessments levied in accordance with this Article and shall not be considered an advance payment of such Assessments. The Working Capital Assessment hereunder will be due and payable to the Association immediately upon each transfer of title to the Lot, including upon transfer of title from one Owner of such Lot to any subsequent purchaser or transferee thereof. The Declarant during the Development Period, and thereafter the Board, shall have the power to waive the payment of any Working Capital Assessment attributable to a Lot (or all Lots) by the Recordation of a waiver notice, which waiver may be temporary or permanent.

7.05 Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the functions of the Association under the Restrictions. The amount of any special Assessments will be at the reasonable discretion of the Board. In addition to the special Assessments authorized above, the Association may, in any fiscal year, levy a special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area. Any special Assessment levied by the Association for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area will be levied against all Owners based on Assessment Units.

7.06 Individual Assessments. In addition to any other Assessments, the Board may levy an Individual Assessment against an Owner and the Owner's Lot. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with the Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the

Owner's guests, invitees or Residents of the Owner's Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and "pass through" expenses for services to Lots provided through the Association and which are equitably paid by each Lot according to the benefit received.

7.07 Amount of Assessment.

(a) Assessments to be Levied. The Board shall levy Assessments against each "Assessment Unit" (as defined in *Section 7.07(b)* below). Unless otherwise provided in this Declaration, Assessments levied pursuant to *Section 7.03* and *Section 7.05* shall be levied uniformly against each Assessment Unit allocated to a Lot.

(b) Assessment Unit. Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 7.07(c)* and *(d)*.

(c) Assessment Exemption. Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant.

(d) Other Exemptions. Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property or any Lot from any Assessments levied or charged pursuant to this *Article 7*; or (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Property. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments.

7.08 Late Charges. If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

7.09 Owner's Personal Obligation; Interest. Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of one and one half percent (1 ½%) per month), together with all late charges, if any, costs and expenses of collection, including reasonable attorney's fees.

Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

7.10 Assessment Lien and Foreclosure. The payment of all sums assessed in the manner provided in this Article is, together with late charges as provided in *Section 7.08* and interest as provided in *Section 7.09* hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to *Section 7.01(b)* above, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for: (i) tax liens and governmental assessment liens; (ii) all sums secured by a Recorded first mortgage lien or Recorded first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question, (iii) home equity loans or home equity lines of credit which are secured by a Recorded second mortgage lien or Recorded second deed of trust lien of record; or (iv) as otherwise required by Applicable Law; provided that, in the case of subparagraphs (ii), (iii) and (iv) above, such Mortgage was Recorded before the delinquent Assessment was due. The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination shall be signed by an authorized officer, agent or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the authorized officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from

paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 7.10*, the Association will upon the request of the Owner, and at such Owner's cost, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an authorized officer, agent, or attorney of the Association. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such twelve (12) day period) to such Owner, in addition to all other rights and remedies available pursuant to Applicable Law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility or cable service provided through the Association and not paid for directly by an Owner or Resident to the utility or service provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner or the Owner's tenant can make arrangements for payment of the bill and for reconnection of service. Utility or cable service will not be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay such amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Tennessee or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party; provided, however, that no transfer fee will be due upon the transfer of a Lot from Declarant to a third party.

Yes, the Association can foreclose on your Lot!
If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.

7.11 Exempt Property. The following areas will be exempt from the Assessments provided for in this Article:

- (a) All area dedicated and accepted by public authority;
- (b) The Common Area; and

(c) Any portion of the Property owned by Declarant.

7.12 Fines and Damages Assessment.

(a) Board Assessment. The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees. Any fine and/or charge for damage levied in accordance with this *Section 7.12* will be considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the Rules and Regulations and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

(b) Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest as provided in *Section 7.09* hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to *Section 7.01(b)* of this Declaration. Unless otherwise provided in this *Section*, the fine and/or damage charge will be considered an Assessment for the purpose of this Article and will be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this *Article 7*.

**ARTICLE 8
ARCHITECTURAL CONTROL COMMITTEE**

Declarant has a substantial interest in ensuring that Improvements within the Property maintain and enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market and sell all or any portion of the Property. Until Declarant has delegated its right to appoint and remove all members of the ACC to the Board as provided in *Section 8.02(a)* below, the ACC will be acting solely in Declarant's interest and will owe no duty to any other Owner or the Association. Notwithstanding any provision in this Declaration to the contrary, Declarant may appoint a single person to exercise the rights of the ACC. No Improvement constructed or caused to be constructed by the Declarant will be subject to the terms and provisions of this Article 8 and need not be approved in accordance herewith.

8.01 Construction of Improvements. No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, by anyone other than Declarant without the prior written approval of the ACC.

8.02 Architectural Control Committee.

(a) Composition. The ACC will be composed of not more than three (3) persons (who need not be Members or Owners) appointed as provided below, who will review Improvements proposed to be made by any Owner other than Declarant. Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant may assign its right to appoint all members of the ACC to the Association by Recorded written instrument, and thereafter, the Board will have the right to appoint and remove (with or without cause) all members of the ACC. Any assignment by Declarant of the right to appoint and remove all members of the ACC may be withdrawn until expiration of twenty-four (24) months after the expiration of the Development Period. If Declarant withdraws its assignment of the right to appoint and remove all members of the ACC, then on the date of such withdrawal, Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant's right to appoint all members of the ACC will automatically be assigned to the Association upon the expiration of twenty-four (24) months after the expiration of the Development Period. Declarant, at its option, may create and assign specific duties and responsibilities to one or more sub-committees consisting of members and/or nonmembers of the ACC. In the event responsibilities and duties are assigned to a sub-committee, those responsibilities and duties will no longer be discharged by the ACC unless the sub-committee exercising such duties and responsibilities is dissolved by Declarant. The right to create, dissolve, and appoint members of such sub-committees will reside exclusively with Declarant until such time as Declarant has assigned its right to appoint members of the ACC to the Association. The ACC will have the right to employ consultants and advisors as it deems necessary or appropriate.

(b) Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal for such re-subdivision or consolidation, will be submitted in accordance with the Design Guidelines, if any, or any additional rules adopted by the ACC together with any review fee which is imposed by the ACC in accordance with *Section 8.02(c)* to the ACC at the offices of Declarant, at such address as may hereafter be designated in writing from time to time. No re-subdivision or consolidation will be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a Majority of the members of the ACC. The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the

construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

(c) Design Guidelines. Declarant may adopt the initial Design Guidelines and, during the Development Period, will have the power from time to time, to adopt (unless previously adopted by Declarant), amend, modify, or supplement the Design Guidelines, if any. Upon expiration or termination of the Development Period, the ACC, or any sub-committee thereof created pursuant to *Section 8.02(a)*, will have the power from time to time, to amend, modify, or supplement the Design Guidelines, if any; provided, however, that any amendment to the Design Guidelines made by a sub-committee will only apply to the Improvements under the jurisdiction of such sub-committee, and during the Development Period, any such amendment, modification or supplement must be approved in advance and in writing by the Declarant. In the event of any conflict between the terms and provisions of the Design Guidelines, if any, and the terms and provisions of this Declaration, the terms and provisions of this Declaration will control. In addition, the ACC will have the power and authority to impose a fee for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges will be held by the ACC and used to defray the administrative expenses incurred by the ACC in performing its duties hereunder; provided, however, that any excess funds held by the ACC will be distributed to the Association at the end of each calendar year. The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration and the Design Guidelines, is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

(d) Actions of the Architectural Control Committee. The ACC may, by resolution unanimously adopted in writing, designate one or more of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the ACC, except the granting of variances. In the absence of such designation, a Majority vote of the members of the ACC taken at a duly constituted meeting will constitute an act of the ACC.

(e) Failure to Act. In the event that any plans and specifications are submitted to the ACC as provided herein, and the ACC fails either to approve or reject such plans and specifications for a period of sixty (60) days following such submission, rejection of such plans and specifications by the ACC will be presumed. In furtherance, and not in limitation, of the foregoing, any failure of the ACC to act upon a request for a

variance will not be deemed a consent to such variance, and the ACC's written approval of all requests for variances will be expressly required.

(f) Variances. The ACC may grant variances from compliance with any of the provisions of the Design Guidelines, if any, or this Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, such variance is justified. All variances must be evidenced in writing and must be signed by at least a Majority of the members of the ACC. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines, if any, will be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of this Declaration or the Design Guidelines, if any, for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration or the Design Guidelines, if any.

(g) Duration of Approval. The approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and twenty (120) days only. If construction in accordance with such plans and specifications or variance is not commenced within such one hundred and twenty (120) day period and diligently prosecuted to completion within either: (i) one year after issuance of approval of such plans and specifications; or (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion, the Owner will be required to resubmit such plans and specifications or request for a variance to the ACC, and the ACC will have the authority to re-evaluate such plans and specifications in accordance with this *Section 8.02(g)* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

(h) No Waiver of Future Approvals. The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

(i) Non-Liability of Committee Members. **NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.**

**ARTICLE 9
MORTGAGE PROVISIONS**

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots within the Property. The provisions of this Article apply to the Declaration and the Bylaws of the Association.

9.01 Notice of Action. An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates (thereby becoming an "**Eligible Mortgage Holder**"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is an eligible Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder; or

(b) Any delinquency in the payment of assessments or charges owed for a Lot subject to the Mortgage of such Eligible Mortgage Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Restrictions relating to such Lot or the Owner or Resident which is not cured within sixty (60) days; or

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

9.02 Examination of Books. The Association will permit Mortgagees to examine the books and records of the Association during normal business hours.

9.03 Taxes, Assessments and Charges. All taxes, assessments and charges that may become liens prior to first lien mortgages under Applicable Law will relate only to the individual Lots and not to any other portion of the Property.

**ARTICLE 10
GENERAL PROVISIONS**

10.01 Term. The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Declaration will run with and bind the Property, and will inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is Recorded, and continuing through and including January 1, 2065, after which time this Declaration will be automatically extended for successive periods of ten (10) years unless a change (the word "change" meaning a termination, or change of term or renewal term) is approved in a resolution adopted by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association, voting in person or by proxy at a meeting

duly called for such purpose, written notice of which will be given to all Members at least thirty (30) days in advance and will set forth the purpose of such meeting; provided, however, that such change will be effective only upon the Recording of a certified copy of such resolution. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this *Section 10.01* to the contrary, if any provision of this Declaration would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living, as of the date that this document is first Recorded, descendants of Elizabeth II, Queen of England.

10.02 Eminent Domain. In the event it becomes necessary for any public authority to acquire all or any part of the Common Area for any public purpose during the period this Declaration is in effect, the Board is hereby authorized to negotiate with such public authority for such acquisition and to execute instruments necessary for that purpose. Should acquisitions by eminent domain become necessary, only the Board need be made a party, and in any event the proceeds received will be held by the Association for the benefit of the Owners. In the event any proceeds attributable to acquisition of Common Area are paid to Owners, such payments will be allocated on the basis of Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on the respective Lot. Notwithstanding any provision of any of the Restrictions, a public authority that acquires any part of the Property through the lawful exercise of eminent domain shall not be required to condemn any Restrictions applying to such part and shall not be bound by any Restriction if such Restriction would interfere with the public use for which such part is acquired; provided, however, that this sentence is not intended to permanently extinguish any Restriction and shall be of no effect if such public authority abandons its public use of any such part of the Property acquired through eminent domain.

10.03 Amendment. This Declaration may be amended or terminated by the Recording of an instrument executed and acknowledged by: (a) Declarant acting alone; or (b) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the number of votes entitled to be cast by members of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant, its successors or assigns, during the Development Period.

10.04 Roadway and Utility Easements. Declarant reserves the right to create, locate, relocate, construct, erect, and maintain or cause to be created, located, relocated, constructed, erected, and maintained in and on any portion of the Property then owned by Declarant or any streets maintained by the Association, or areas conveyed to the Association, or areas reserved or held as Common Area, roadways, sewer lines, water lines, electrical lines and conduits, and other pipelines, conduits, wires, and any public utility function beneath or above the surface of

the ground with the right of access to the same at any time for the purposes of repair and maintenance.

10.05 Enforcement. The Association and the Declarant will have the right to enforce, by a proceeding at law or in equity, the Restrictions. Failure to enforce any right, provision, covenant, or condition set forth in the Restrictions will not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future.

10.06 Higher Authority. The terms and provisions of this Declaration are subordinate to Applicable Law. Generally, the terms and provisions of this Declaration are enforceable to the extent they do not violate or conflict with Applicable Law.

10.07 Severability. If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, such invalidity will not affect the validity of any other provision of this Declaration, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

10.08 Conflicts. If there is any conflict between the provisions of this Declaration, the Charter, the Bylaws, or any Rules and Regulations adopted pursuant to the terms of such documents, the provisions of this Declaration, the Charter, the Bylaws, and the Rules and Regulations, in such order, will govern.

10.09 Gender. Whenever the context so requires, all words herein in the male gender will be deemed to include the female or neuter gender, all singular words will include the plural, and all plural words will include the singular.

10.10 Acceptance by Grantees. Each grantee of Declarant of a Lot or other real property interest in the Property, by the acceptance of a deed of conveyance, or each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction rights and powers created or reserved by this Declaration or to whom this Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. Furthermore, each grantee agrees that no assignee or successor to Declarant hereunder will have any liability for any act or omission of Declarant which occurred prior to the effective date of any such succession or assignment. All impositions and obligations hereby imposed will constitute covenants running with the land within the Property, and will bind any person having at any time any interest or estate in the Property, and will inure to the benefit of each Owner in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance.

10.11 Damage and Destruction. The Association shall undertake the following actions subsequent to damage or destruction to all or any part of the Common Area or Special Common Area covered by insurance:

(a) Claims. Promptly after damage or destruction by fire or other casualty to all or any part of the Common Area covered by insurance, the Board, or its duly authorized agent, will proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair of the damage. Repair, as used in this *Section 10.11(a)*, means repairing or restoring the Common Area to substantially the same condition as existed prior to the fire or other casualty.

(b) Repair Obligations. Any damage to or destruction of the Common Area will be repaired unless a Majority of the Board decides within sixty (60) days after the casualty not to repair. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair, or both, are not made available to the Association within said period, then the period will be extended until such information will be made available.

(c) Restoration. In the event that it should be determined by the Board that the damage or destruction of the Common Area will not be repaired and no alternative Improvements are authorized, then the affected portion of the Common Area will be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition.

(d) Special Assessment for Common Area. If insurance proceeds are paid to restore or repair any damaged or destroyed Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board will levy a special Assessment, as provided in *Article 7*, against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

(e) Proceeds Payable to Owners. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to any Common Area, such payments will be allocated based on Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on their Lots.

10.12 Notices. Any notice permitted or required to be given to any person by this Declaration will be in writing and may be delivered either personally or by mail, or as otherwise required by Applicable Law. If delivery is made by mail, it will be deemed to have been delivered on the third (3rd) day (other than a Sunday or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the person at the address given by such person to the Association for the purpose of service of notices. Such address may be changed from time to time by notice in writing given by such person to the Association.

10.13 View Impairment. Neither Declarant nor the Association guarantee or represent that any view over and across the Lots, or any open space or Common Area within the Property will be preserved without impairment. Neither the Declarant, the ACC, nor the Association

shall have any obligation to relocate, prune, or thin trees or perform other landscaping. The Association (with respect to any Common Area) will have the right to add trees and other landscaping from time to time, subject to Applicable Law. There shall be no express or implied easements for view purposes or for the passage of light and air.

10.14 Safety and Security. Each Owner and Resident of a Lot, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Property or the Common Area. The Association may, but shall not be obligated to, maintain or support certain activities within the Property or the Common Area designed to promote or enhance the level of safety or security which each person provides for himself or herself and his or her property. However, neither the Association nor the Declarant nor their Directors, employees, or agents shall in any way be considered insurers or guarantors of safety or security within the Property or the Common Area, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

10.15 Townhome Lots 40-46. The Townhome Lots (40-46 inclusive) shall be a part of the Rolling Hills Homeowners Association and shall also form a separate association among themselves for the purpose of providing for the maintenance and insurance of the parking lot located on these Lots and also to provide for the communal maintenance and insurance of the Townhouse building including, without limitation, the exterior appearance of the structure, roofs, gutters, downspouts, shutters, balconies, walkways, landscaping, lawn care, mailboxes, and parking areas. It shall not include any utility service, windows, or doors associated to a specific unit including but not limited to: HVAC improvements, electrical fixtures, hose bibbs, window unit, door unit, plumbing or water service extended from/to the unit, etc. The Association will maintain insurance on the townhome units from the studs out and for party walls including the sheetrock but not any paint or finishes on the sheetrock or any decorations thereon.

Assessments for the townhome units described in this Section 10.15 will be in addition to and separate from the dues and assessment of the overall development (Rolling Hills Subdivision) collected by the Rolling Hills Homeowners Association as per this document.

ARTICLE 11 EASEMENTS

11.01 Right of Ingress and Egress. Declarant, its agents, employees, designees, successors or assigns will have a right of ingress and egress over and the right of access to the Common Area to the extent necessary to use the Common Area and the right to such other temporary uses of the Common Area as may be required or reasonably desirable (as determined by Declarant in its sole discretion) in connection with the construction and development of the Property. The Property shall be subject to a perpetual non-exclusive easement for the installation and maintenance of, including the right to read meters, service or

repair lines and equipment, and to do everything and anything necessary to properly maintain and furnish the Community Systems and the facilities pertinent and necessary to the same, which easement shall run in favor of Declarant. Declarant shall have the right, but not the obligation, to install and provide the Community Systems and to provide the services available through the Community Systems to any and all Lots within the Property. Neither the Association nor any Owner shall have any interest therein. Any or all of such services may be provided either directly through the Association and paid for as part of the Assessments or paid directly to Declarant, any affiliate of Declarant, or a third party, by the Owner who receives the services. The Community Systems shall be the property of Declarant unless transferred by Declarant, whereupon any proceeds of such transfer shall belong to Declarant. Declarant shall have the right but not the obligation to convey, transfer, sell or assign all or any portion of the Community Systems or all or any portion of the rights, duties or obligations with respect thereto, to the Association or to any person or entity. The rights of Declarant with respect to the Community Systems installed by Declarant and the services provided through such Community Systems are exclusive, and no other person or entity may provide such services through the Community Systems installed by Declarant without the prior written consent of Declarant. In recognition of the fact that interruptions in cable television and other Community Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Community System shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider of such services.

11.02 Reserved Easements. All dedications, limitations, restrictions, easements, rights-of-way, licenses, leases, encumbrances and reservations shown on any Plat or otherwise Recorded against the Property and all grants and dedications of easements, rights-of-way, restrictions and related rights made by Declarant or any third party prior to the Property becoming subject to this Declaration are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and will be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant. Declarant reserves the right to relocate, make changes in, and additions to said dedications, limitations, restrictions, easements, rights-of-way, licenses, leases, encumbrances, reservations and other grants for the purpose of developing the Property.

11.03 Utility Easements. Declarant hereby establishes and reserves unto itself and Declarant's successors and assigns: (a) a perpetual non-exclusive easement over and across each open space, landscape or recreational lot within the Property for public and private utilities necessary or required to serve the Property or the Lots; (b) a non-exclusive utility easement over and across each Lot to the extent necessary or required to provide utility service to each Lot; provided, however, that such easement will not unreasonably interfere with the use of any Lot for residential purposes; and (c) an easement on the exterior elevation of each residence (including necessary penetrations into the residence) for the purpose of installation, operation, maintenance, and repair of meters, panels, lines and related facilities or appurtenances necessary or required to utilities to each Lot and the residences located therein. In addition,

Declarant, during the Development Period, and the Board thereafter, may grant further easements over and across the Lots, residences and Common Areas to the extents necessary or required to provide utilities to the residences and/or Lots; provided, however, that such easements do not unreasonably interfere with the use of any residence for residential purposes. A company or entity, public or private, furnishing utility service to the Property, is granted an easement over the Property, including the residences and Lots, for ingress, egress, meter reading, installation, maintenance, repair, or replacement of utility lines and equipment, and to do anything else necessary to properly maintain and furnish utility service to the Property. Utilities may include, but are not limited to, water, sewer, trash removal, electricity, gas, telephone, electronic communications and internet, master or cable television and security. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party who owns, operates or maintains the facilities and Improvements described in (a) through (c) of this *Section 11.03*.

11.04 Subdivision Entry and Fencing Easement. Declarant reserves for itself and the Association, an easement over and across the Property for the installation, maintenance, repair or replacement of certain subdivision entry facilities, walls, and/or fencing, if any, which serves the Property. Declarant will have the right, from time to time, to Record a written notice which identifies the subdivision entry facilities fencing to which the easement reserved hereunder applies. Declarant may designate all or any portion of the subdivision entry facilities, walls, and/or fencing as Common Area by Recorded written notice. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon..

11.05 Landscape and Monument Sign Easement. Declarant hereby reserves for itself and the Association, an easement over and across the Property for the installation, maintenance, repair or replacement of signs, landscaping, and/or monument signs, if any, which serves the Property. Declarant will have the right, from time to time, to Record a written notice, which identifies those portions of the Property to which the easement reserved hereunder applies. Declarant designates the easement areas reserved hereunder as Common Area. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon.

ARTICLE 12 DEVELOPMENT RIGHTS

12.01 Development by Declarant. It is contemplated that the Property will be developed pursuant to a plan, which may, from time to time, be amended or modified. Declarant reserves the right, but will not be obligated, to create and/or designate Lots and Common Areas and to subdivide with respect to all or any portion of the Property pursuant to the terms of this *Section 12.01*, subject to any limitations imposed on portions of the Property by any applicable Plat. Collectively, the rights reserved to the Declarant as set forth in this

Declaration shall be known as the "Development Rights", and Declarant hereby reserves the right and privilege for itself, and/or its assigns, to exercise the Development Rights until expiration or termination of the Development Period. These rights may be exercised with respect to any portions of the Property or the Common Area.

12.02 Special Declarant Rights. The construction, placement or maintenance of Improvements by Declarant or its designee will not be considered a nuisance, and Declarant hereby reserves the right and privilege for itself to conduct the activities enumerated in this *Section 12.02* until twenty-four (24) months after expiration or termination of the Development Period.

12.03 Addition of Land. Declarant may, at any time and from time to time, add additional lands to the Property. Upon the filing of a notice of addition of land, such land will be considered part of the Property for purposes of this Declaration, and such added lands will be considered part of the Property subject to this Declaration and the terms, covenants, conditions, restrictions and obligations set forth in this Declaration, and the rights, privileges, duties and liabilities of the persons subject to this Declaration will be the same with respect to such added land as with respect to the lands originally covered by this Declaration. To add lands to the Property, Declarant will be required only to Record a notice of addition of land containing the following provisions:

- (a) A reference to this Declaration, which reference will state the document number or volume and initial page number where this Declaration is Recorded;

- (c) A legal description of the added land.

12.04 Withdrawal of Land. Declarant may, at any time and from time to time, reduce or withdraw land from the Property, and remove and exclude from the burden of this Declaration and the jurisdiction of the Association any portion of the Property. Upon any such withdrawal and removal this Declaration and the covenants conditions, restrictions and obligations set forth herein will no longer apply to the portion of the Property withdrawn. To withdraw lands from the Property hereunder, Declarant will be required only to Record a notice of withdrawal of land containing the following provisions:

(c) A legal description of the withdrawn land.

12.05 Assignment of Declarant's Rights. Notwithstanding any provision in this Declaration to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder.

ARTICLE 13 AGREEMENT TO ENCOURAGE RESOLUTION OF DISPUTES WITHOUT LITIGATION

13.01 General.

(a) **Bound Parties.** Declarant, the Association and its officers, directors, and committee members, Owners and all other parties subject to this Covenant ("**Bound Party**", or collectively, the "**Bound Parties**"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Development without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in *Section 13.01(b)*, unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in *Section 13.02* in a good faith effort to resolve such Claim.

(b) **Claim(s).** As used in this Article, the term "Claim" or "Claims" will refer to any claim, grievance or dispute arising out of or relating to:

(i) Claim relating to the rights and/or duties of Declarant under the Documents; or

(ii) Claims against the Declarant relating to the design or construction of Improvements on the Common Areas or Lots.

13.02 Claims Process. In the event the Association or an Owner asserts a Claim, as a precondition to providing the Notice defined in *Section 13.03*, initiating the mandatory dispute resolution procedures set forth in this *Article 13*, or taking any other action to prosecute a Claim, the Association or an Owner, as applicable, must:

(a) Independent Report on the Condition. Obtain an independent third-party report (the "**Condition Report**") from a licensed professional engineer which: (a) identifies the Improvements subject to the Claim including the present physical condition of the Improvements; (b) describes any modification, maintenance, or repairs to the Improvements performed by the Owner(s) and/or the Association; (c) provides specific and detailed recommendations regarding remediation and/or repair of the Improvements subject to the Claim. For the purposes of this *Section*, an independent third-party report is a report obtained directly by the Association or an Owner and paid for by the Association or Owner, as applicable, and not prepared by a person employed by or otherwise affiliated with the attorney or law firm that represents or will represent the Association or a Lot Owner in the Claim. As a precondition to providing the Notice described in *Section 13.03*, the Association or Owner must provide at least ten (10) days prior written notice of the inspection to each party subject to a Claim which notice shall identify the independent third-party engaged to prepare the Condition Report, the specific Improvements to be inspected, and the date and time the inspection will occur. Each party subject to a Claim may attend the inspection, personally or through an agent. Upon completion, the Condition Report shall be provided to each party subject to a Claim. In addition, before providing the Notice described in *Section 13.03*, the Association or the Lot Owner, as applicable, shall have permitted each party subject to a Claim the right, for a period of ninety (90) days, to inspect and correct, any condition identified in the Condition Report.

(b) Claims by Association – Owner Meeting and Approval. If the Claim is brought by the Association, obtain approval from Members holding sixty-seven percent (67%) of the votes in the Association to provide the Notice described in *Section 13.03*, initiate the mandatory dispute resolution procedures set forth in this *Article 13*, or take any other action to prosecute a Claim, which approval from Members must be obtained at a special meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (a) the nature of the Claim, the relief sought, the anticipated duration of prosecuting the Claim, and the likelihood of success; (b) a copy of the Condition Report; (c) a copy of any proposed engagement letter, with the terms of such engagement between the Association and an attorney to be engaged by the Association to assert or provide assistance with the claim (the "**Engagement Letter**"); (d) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which it may be liable if it is not the prevailing party or that the Association will be required, pursuant to the Engagement Letter or otherwise, to pay if the Association elects to not to proceed with the Claim; (e) a summary of the steps previously taken, and proposed to be taken, to resolve the Claim; (f) an estimate of the impact on the value of each Lot and Improvements if the Claim is prosecuted and an estimate of the impact on the value of each Lot and Improvements after resolution of the Claim; (g) an estimate of the impact on the marketability of each Lot and Improvements if the Claim is prosecuted and

during prosecution of the Claim, and an estimate of the impact on the value of each Lot and Improvements during and after resolution of the Claim; (h) the manner in which the Association proposes to fund the cost of prosecuting the Claim; (i) the impact on the finances of the Association, including the impact on present and projected reserves, in the event the Association is not the prevailing party. The notice required by this paragraph must be prepared and signed by a person other than, and not employed by or otherwise affiliated with, the attorney or law firm that represents or will represent the Association in the Claim. In the event Members approve providing the Notice described in *Section 13.03*, or taking any other action to prosecute a Claim, the Members holding a Majority of the votes in the Association, at special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Claim.

13.03 Notice. The Bound Party asserting a Claim ("**Claimant**") against another Bound Party ("**Respondent**") must notify Respondent in writing of the Claim (the "**Notice**"), stating plainly and concisely: (a) the nature of the Claim, including date, time, location, persons involved, and Respondent's role in the Claim; (b) the basis of the Claim (i.e., the provision of the Restrictions or other authority out of which the Claim arises); and (c) what Claimant wants Respondent to do or not do to resolve the Claim.

If the Claimant is the Association, the Notice will also include: (a) a true and correct copy of the Condition Report; (b) a copy of the Engagement Letter; (c) copies of all reports, studies, analyses, and recommendations obtained by the Association related to the Improvements which form the basis of the Claim; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 13.02(b)* above; and (e) reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved providing the Notice.

13.04 Negotiation. Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within 60 days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Development, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the portion of the Development that is subject to the Claim for the purposes of inspecting such portion of the Development. If Respondent elects to take corrective action, Claimant will provide Respondent and Respondent's representatives and agents with full access to the portion of the Development to take and complete corrective action.

13.05 Mediation. If the parties negotiate, but do not resolve the Claim through negotiation within one-hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise

appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the 30-day period, Respondent will submit the Claim to mediation in accordance with this *Section 13.05*.

13.06 Termination Of Mediation. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, or within a time deemed reasonable by the mediator, the mediator will issue a notice of termination of the mediation proceedings indicating that the Parties are at an impasse and the date that mediation was terminated. Thereafter, Claimant may file suit or initiate arbitration proceedings on the Claim, as appropriate and permitted by this Article.

13.07 Binding Arbitration-Claims. All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 13.07*.

(a) **Governing Rules.** If a Claim has not been resolved after Mediation as required by *Section 13.04*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 13.07* and the rules and procedures of the American Arbitration Association (“AAA”) or, if the AAA is unable or unwilling to act as the arbitrator, then the arbitration shall be conducted by another neutral reputable arbitration service selected by Respondent in Maury County, Tennessee. Regardless of what entity or person is acting as the arbitrator, the arbitration shall be conducted in accordance with the AAA’s “Construction Industry Dispute Resolution Procedures” and, if they apply to the disagreement, the rules contained in the Supplementary Procedures for Consumer-Related Disputes. If such Rules have changed or been renamed by the time a disagreement arises, then the successor rules will apply. Also, despite the choice of rules governing the arbitration of any Claim, if the AAA has, by the time of Claim, identified different rules that would specifically apply to the Claim, then those rules will apply instead of the rules identified above. In the event of any inconsistency between any such applicable rules and this *Section 13.07*, this *Section 13.07* will control. Judgment upon the award rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows:

(i) one arbitrator shall be selected by Respondent, in its sole and absolute discretion;

(ii) one arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and

(iii) one arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

(b) Exceptions to Arbitration; Preservation of Remedies. No provision of, nor the exercise of any rights under, this *Section 13.07* will limit the right of Claimant or Respondent, and Claimant and the Respondent will have the right during any Claim, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (a) exercising self-help remedies (including set-off rights); or (b) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

(c) Statute of Limitations. All statutes of limitation that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 13.07*.

(d) Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with the applicable substantive law. The arbitrator may grant any remedy or relief that the arbitrator deem just and equitable and within the scope of this *Section 13.07* but subject to *Section 13.08* below. The arbitrator may also grant such ancillary relief as is necessary to make effective the award, but in no event may an arbitrator award speculative, consequential, or punitive damages for any Claim. In all arbitration proceedings the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or modification of any award that is based in whole, or in part, on (a) factual findings that have no legally or factually sufficient evidence, as those terms are defined in Tennessee law; (b) conclusions of law that are erroneous; (c) an error of federal or state law; or (d) a cause of action or remedy not expressly provided under existing state or federal law.

(e) Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration by notice from either party to the other. Arbitration proceedings hereunder shall be conducted in Maury County, Tennessee. The arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure and Applicable Law. The arbitrator shall have the power to award recovery of all costs and fees (including attorney's fees, administrative fees, and arbitrator's fees) to the prevailing party. Each party agrees to keep all Claims and

arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by applicable law or regulation. In no event shall any party discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

13.08 Allocation Of Costs. Notwithstanding any provision in this Covenant to the contrary, each Party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

13.09 General Provisions. A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

13.10 Approval & Settlement. The Association must levy a Special Assessment to fund the estimated costs of arbitration, including estimated attorney's fees, conducted pursuant to this *Article 13* or any judicial action initiated by the Association. The Association may not use its annual operating income or reserve funds or savings to fund arbitration or litigation, unless the Association's annual budget or a savings account was established and funded from its inception as an arbitration and litigation reserve fund.

Section 3.4. Special Meetings. Following the Development Period, special meetings of the Members, for any purpose or purposes, may be called by the President, a Majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total votes entitled to be cast at such meeting, except as otherwise required by the Declaration, the Bylaws, or statute. Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting or by publication in a newspaper of general circulation, not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the direction of the President, the Secretary, or the officers or persons calling the meeting. In the case of a special meeting or when otherwise required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice. Section 3.7. Quorum. Except as provided in these Bylaws or in the Declaration, the presence of the Members representing thirty-five percent (35%) of the total votes in the Association shall constitute a quorum at all Association meetings. The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the departure of enough Members to leave less than a quorum, provided that Members representing at least ten percent (10%) of the total votes in the Association remain in attendance, and provided that any action taken is

Cumulative voting shall not be allowed. The person holding legal title to a Lot shall be entitled to cast the vote allocated to such Lot and not the person merely holding beneficial title to the same unless such right is expressly delegated to the beneficial Owner thereof in writing.

Section 3.10. Methods of Voting: In Person; Proxies; Absentee Ballots; Electronically. The voting rights of an Owner may be cast or given: (a) in person or by proxy at a meeting of the Association; (b) by absentee ballot; or (c) by electronic ballot. Any vote cast in an election or vote by a Member of the Association must be in writing and signed by the Member. Electronic votes constitute written and signed ballots. In an Association election, written and signed ballots are not required for uncontested races. Votes shall be cast as provided in this Section:

(A) **Proxies.** Any Member may give a revocable written proxy in the form as prescribed by the Board from time to time to any person authorizing such person to cast the Member's vote on any matter. A Member's vote by proxy is subject to any limitations of Tennessee law relating to the use of general proxies and subject to any specific provision to the contrary in the Declaration or these Bylaws. No proxy shall be valid unless signed by the Member for which it is given or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Proxies shall be valid only for the specific meeting for which given and for lawful adjournments of such meeting. Every proxy shall be revocable and shall automatically cease upon conveyance of the Lot for which it was given.

(B) **Absentee and Electronic Ballots.** An absentee or electronic ballot: (1) may be counted as an Owner present and voting for the purpose of establishing a quorum and only for items appearing on the ballot; (2) may not be counted, even if properly delivered, if the Owner attends any meeting to vote in person, so that any vote cast at a meeting by an Owner supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal; and (3) may not be counted on the final vote of a proposal if the proposal was amended at the meeting to be different from the exact language on the absentee or electronic ballot. For the purposes of this Section, a nomination taken from the floor in a Board member election is not considered an amendment to the proposal for the election.

(i) **Absentee Ballots.** No absentee ballot shall be valid unless it is in writing, signed by the Member for which it is given or his duly authorized attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. Absentee ballots shall be valid only for the specific meeting for which given and for lawful adjournments of such meeting. In no event shall an absentee ballot be valid after the specific meeting or lawful

adjournment of such meeting at which such ballot is counted or upon conveyance of the Lot for which it was given. Any solicitation for votes by absentee ballot must include:

- a. an absentee ballot that contains each proposed action and provides an opportunity to vote for or against each proposed action; and
- b. instructions for delivery of the completed absentee ballot, including the delivery location.

(ii) *Electronic Ballots.* "Electronic ballot" means a ballot: (a) given by email, facsimile or posting on a website; (b) for which the identity of Owner submitting the ballot can be confirmed; and (c) for which the Owner may receive a receipt of the electronic transmission and receipt of the Owner's ballot. If an electronic ballot is posted on a website, a notice of the posting shall be sent to each Owner that contains instructions on obtaining access to the posting on the website.

Section 3.11. Action Without a Meeting. Any action required or permitted by law to be taken at a meeting of the Members may be taken without a meeting, without prior notice, and without a vote if written consent specifically authorizing the proposed action is signed by Members holding at least the minimum number of votes necessary to authorize such action at a meeting if all Members entitled to vote thereon were present. Such consents shall be signed within sixty (60) days after receipt of the earliest dated consent, dated, and delivered to the Association at its principal place of business in Tennessee. Such consents shall be filed with the minutes of the Association and shall have the same force and effect as a vote of the Members at a meeting. Within ten (10) days after receiving authorization for any action by written consent, the Secretary shall give written notice to all Members entitled to vote who did not give their written consent, fairly summarizing the material features of the authorized action.

ARTICLE IV

BOARD OF DIRECTORS

Section 4.1. Authority; Number of Directors.

(a) The affairs of the Association shall be governed by a Board of Directors. The number of Directors shall be fixed by the Board of Directors from time to time. The initial Directors shall be three (3) in number and shall be those Directors named in the Charter or subsequently appointed by the Declarant. The initial Directors shall serve until their successors are elected and qualified.

(b) At the expiration or termination of the Development Period, the Board of Directors will be increased to five (5) members. The Declarant will call a meeting of the Members of the Association where the Declarant appointed Directors will resign and the Members, including Declarant, will elect five (5) new directors (to replace all Declarant appointed Directors) (the "**Member Election Meeting**"), one (1) Director for a three (3) year term, two (2) Directors for a two (2) year term, and two (2) Directors for a one (1) year term (with the individual receiving the highest number of votes to serve the three (3) year term, the individuals receiving the second and third highest number of votes to serve the two (2) year terms, and the individuals receiving the fourth and fifth highest number of votes to serve the one (1) year terms). Upon expiration of the term of a Director elected by the Members pursuant to this *Section 4.1(b)*, his or her successor will be elected for a term of two (2) years.

(c) A Director takes office upon the adjournment of the meeting or balloting at which he is elected or appointed and, absent death, ineligibility, resignation, or removal, will hold office until his successor is elected or appointed.

(e) Each Director, other than Directors appointed by Declarant, shall be a Member. In the case of corporate, partnership, or other entity ownership of a Lot, the Director must be a duly authorized agent or representative of the corporation, the partnership, or other entity which owns the Lot.

Section 4.2. Compensation. The Directors shall serve without compensation for such service. As determined by the Board, Directors may be reimbursed for any reasonable and necessary out-of-pocket expenses.

Section 4.3. Nominations to Board of Directors. Members may be nominated for election to the Board of Directors in either of the following ways:

(a) A Member who is not a Director and who desires to run for election to that position shall be deemed to have been nominated for election upon his filing with the Board of Directors a written petition of nomination; or

(b) A Director who is eligible to be re-elected shall be deemed to have been nominated for re-election to the position he holds by signifying his intention to seek reelection in a writing addressed to the Board of Directors.

Section 4.4. Vacancies on Board of Directors. Except with respect to Directors appointed by the Declarant, if the office of any elected Director shall become vacant by reason of death, resignation, or disability, the remaining Directors, at a special meeting duly called for this purpose, shall choose a successor who shall fill the unexpired term of the directorship being vacated. If there is a deadlock in the voting for a successor by the remaining Directors, the one Director with the longest continuous term on the Board shall select the successor. At the expiration of the term of his position on the Board of Directors, the successor Director shall be re-elected or his successor shall be elected in accordance with these Bylaws. Except with respect to Directors appointed by the Declarant, any Board Member whose term has expired or who has been removed from the Board must be elected by the Members.

Section 4.5. Removal of Directors. Subject to the right of Declarant to nominate and appoint Directors as set forth in *Section 4.1* of these Bylaws, an elected Director may be removed, with or without cause, by the vote of Members holding a Majority of the votes entitled to be cast in the Association.

ARTICLE V

MEETINGS OF DIRECTORS

Section 5.2. Special Meetings. Special meetings of the Board shall be held when called by the President of the Association, or by any two Directors, after not less than three (3) days' notice to each Director.

Section 5.3. Quorum. A Majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a Majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board of Directors.

Section 5.4. Location. Except if otherwise held by electronic or telephonic means, a Board meeting must be held in the county in which all or a part of the property in the subdivision is located or in a county adjacent to that county, or as otherwise determined by a Majority of the Board.

Section 5.5. Record; Minutes. The Board shall keep a record of each regular or special Board meeting in the form of written minutes of the meeting.

Section 5.6. Meeting without Prior Notice. Directors may vote by written consent and without a meeting. If all Directors consent to taking such action without a meeting, the affirmative vote of the number of Directors that would be necessary to authorize or take such action at a meeting is the act of the Board. The action must be evidenced by one (1) or more written consents describing the action taken, signed by each Director, and included in the minutes filed with the corporate records reflecting the action taken.

ARTICLE VI

Section 6.1. Powers. The Board shall have power and duty to undertake any of the following actions, in addition to those actions to which the Association is authorized to take in accordance with the Declaration:

(g) Issue, or to cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any Assessment has been paid and to levy a reasonable charge for the issuance of these certificates (it being understood that if a certificate states that an Assessment has been paid, such certificate shall be conclusive evidence of such payment);

(h) Procure and maintain adequate liability and hazard insurance on Association Property;

(i) Cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate; and

(j) Exercise such other and further powers or duties as provided in the Declaration or by law.

Section 7.3. Term. The officers of the Association shall be elected annually by the Board and each shall hold office for one (1) year unless he resigns sooner, or shall be removed or otherwise disqualified to serve.

Section 7.4. Special Appointments. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board may, from time to time, determine.

Section 7.5. Resignation and Removal. Any officer may be removed from office with or without cause by the Board. Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 7.6. Vacancies. A vacancy in any office may be filled through appointment by the Board. The officer appointed to such vacancy shall serve for the remainder of the term of the officer he replaces.

Section 7.7. Multiple Offices. The offices of Secretary and Treasurer may be held by the same person. No person shall simultaneously hold more than one of any of the other offices except in the case of special offices created pursuant to *Section 7.4.*

Section 7.8. Duties. The duties of the officers are as follows:

(a) President. The President shall preside at all meetings of the Board; shall see that orders and resolutions of the Board are carried out; shall sign all leases, mortgages, deeds and other written instruments and shall co-sign all checks and promissory notes.

(b) Vice President. The Vice President, if any, shall generally assist the President and shall have such powers and perform such duties and services as shall from time to time be prescribed or delegated to him by the President or the Board.

(c) Secretary. The Secretary shall record the votes and keep the minutes of all meetings and proceedings of the Board and of the Members; serve notice of meetings of the Board and of the Members; keep appropriate current records showing the Members of the Association together with their addresses; and shall perform such other duties as required by the Board.

(d) Assistant Secretaries. Each Assistant Secretary shall generally assist the Secretary and shall have such powers and perform such duties and services as shall from time to time be prescribed or delegated to him or her by the Secretary, the President, the Board or any committee established by the Board.

(e) Treasurer. The Treasurer shall receive and deposit in appropriate bank accounts all monies of the Association and shall disburse such funds as directed by resolution of the Board; shall sign all checks and promissory notes of the Association; keep proper books of account in appropriate form such that they could be audited by a public accountant whenever ordered by the Board or the membership; and shall prepare an annual budget and a statement of income and expenditures to be presented to the membership at its regular meeting, and deliver a copy of each to the Members.

Section 7.9. Execution of Instruments. Except when the Restrictions require execution of certain instruments by certain individuals, the Board may authorize any person to execute instruments on behalf of the Association, including without limitation checks from the Association's bank account. In the absence of Board designation, and unless otherwise provided herein, the President and the Secretary are the only persons authorized to execute instruments on behalf of the Association.

ARTICLE VIII

OTHER COMMITTEES OF THE BOARD OF DIRECTORS

The Board may, by resolution adopted by affirmative vote of a Majority of the number of Directors fixed by these Bylaws, designate two or more Directors or Members (with such alternates, if any, as may be deemed desirable) to constitute another committee or committees for any purpose; provided, that any such other committee or committees shall have and may exercise only the power of recommending action to the Board of Directors and of carrying out and implementing any instructions or any policies, plans, programs and rules theretofore approved, authorized and adopted by the Board.

ARTICLE IX

BOOKS AND RECORDS

Except for confidential, non-public information of the Association or that affecting the privacy rights of third parties or otherwise subject to confidentiality or non-disclosure protections or objections under any basis, the books and records of the Association are subject to inspection at the principal office of the Association by any Owner during reasonable business hours and upon ten (10) days prior written notice. Copies of such records may be purchased at a reasonable cost.

**ARTICLE X
ASSESSMENTS**

As more fully provided in the Declaration, each Member is obligated to pay to the Association Assessments which are secured by a continuing lien upon the property against which the Assessments are made. Assessments shall be due and payable in accordance with the Declaration.

**ARTICLE XI
AMENDMENTS**

These Bylaws may be amended by: (i) the Declarant until expiration or termination of the Development Period; or (ii) a Majority vote of the Board of Directors with the advance written consent of the Declarant until expiration or termination of the Development Period. Upon expiration of the Development Period, the Bylaws may be amended by a Majority of the Board and an affirmative vote of Members holding at least sixty-seven percent (67%) of the total number of votes of the Association

**ARTICLE XII
INDEMNIFICATION OF DIRECTORS AND OFFICERS**

The Association shall indemnify any current or former Director, officer, or employee of the Association against expenses actually and necessarily incurred by him and any amount paid in satisfaction of judgments, in connection with any action, suit or proceeding, whether civil or criminal in nature, in which he is made a party by reason of being or having been such a Director, officer or employee (whether or not a Director, officer or employee at the time such costs or expenses are incurred by or imposed upon him) except in relation to matters in which he shall have been adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct in the performance of his duty. The Association may also reimburse to any Directors, officer, or employee the reasonable costs of settlement of any such action, suit, or proceedings; if it shall be found by a majority of the Directors not involved in the matter of controversy, whether or not a quorum, that it was in the interest of the Association that such settlement be made and that such Director, officer, or employee was not guilty of gross negligence or willful misconduct. Such rights of indemnification and reimbursement shall not be deemed exclusive of any other rights to which such Director, officer, or employee may be entitled by law or under by-law, agreement, vote of Members, or otherwise.

**ARTICLE XIII
MISCELLANEOUS**

Section 14.1. Fiscal Year. The fiscal year of the Association shall begin on the first day of January and end on the 31st day of December of every year, except that the first fiscal year shall begin on the date of incorporation.

Section 14.2. Review of Statutes and Court Rulings. Users of these Bylaws should also review statutes and court rulings that may modify or nullify provisions of this document or its enforcement, or may create rights or duties not anticipated by these Bylaws.

Section 14.3. Conflict. In the case of any conflict between the Charter and these Bylaws, the Charter shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control. In the case of any conflict between these Bylaws and any provision of the applicable laws of the State of Tennessee, the conflicting aspect of the Bylaws provision is null and void, but all other provisions of these Bylaws remain in full force and effect.

Section 14.4. Interpretation. The effect of a general statement is not limited by the enumerations of specific matters similar to the general. The captions or articles and sections are inserted only for convenience and are in no way to be construed as defining or modifying the text to which they refer. The singular is construed to mean the plural, when applicable, and the use of masculine or neuter pronouns includes the feminine.

Section 14.5. No Waiver. No restriction, condition, obligation, or covenant contained in these Bylaws may be deemed to have been abrogated or waived by reason of failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.
